### Terms and Conditions

**On-Demand Service Model:** All services under ProHealth Diet are delivered on an on-demand basis. Services are scheduled and provided only upon your explicit request to the care team. There is no fixed appointment schedule imposed by the Program.

**Payment and Plan Activation:** ProHealth Diet is a paid subscription priced at INR 1,199/-. This is not employer funded.

**Non-Refundable Policy:** The plan cost of INR 1,199/- is non-refundable. No refund, whether partial or full, will be processed under any circumstances, including partial or non-utilisation of services.

**Service Validity and Lapse:** All plan services are valid for 6 months from the date of enrolment. Any services not availed within this period will lapse automatically and will not be carried forward, refunded, compensated, or exchanged in any form.

**Mode of Service Delivery:** Dietitian consultations are conducted virtually (Tele-Consult only). Live fitness sessions are conducted online on Habit Health application.

**Scope and Limitations:** ProHealth Diet is a program designed for health maintenance and proactive monitoring. It does not replace emergency medical care, in-person specialist consultation, or medical diagnosis. In the event of a medical emergency, please contact nearest hospital immediately.

**Communication Consent:** By enrolling, you consent to receiving program-related communications, including appointment reminders, care follow-ups, and health nudges via call, SMS, or email from the care team during working hours (Monday to Saturday, 09:30 AM – 05:30 PM).
